In Memoriam
Gregg Joseph Werbowski
Commander

Gregg, a **6** year Legion and SAL member, was born June 8, 1957 in Minneapolis and passed away May 24, 2010 at the age of 52. Eligible for The American Legion: US Army 1981 – 1985 (Grenada/Lebanon); full time MN National Guard 1985 – 1986; US Coast Guard 1986 – 1987. Eligible for the SAL through father Joe - a WWII veteran.

Gregg was employed by the USPS since 1987. He is survived by his parents Joe and Dorothy, one sister and five brothers. Service was at the Church of St. Stephen May 28, and he is buried at Fort Snelling National Cemetery.

Gregg was planning to serve another term as Commander and he was the first of 75 Commanders in the 91 year history of Edward B. Cutter Post 102 to pass away while in office.

From Greggs first column, Sept. 2009 issue of this paper: "I want to thank all the members who had the confidence in me for this position and I'd like to do my best to uphold the integrity of this position. Thank you to all and hope to see you at the Post."

ADJUTANT'S NOTES

by Gary Munkholm

Many thanks to all of the Anoka Legion Family who helped with the Memorial Day activities. The Memorial Day program and luncheon, grave site flags and markers, and the many flags put along Main Street showed our patriotism which it does not only on that weekend but all year long.

The general membership gave approval to replace the bar room windows and start on the long talked about patio. Both projects have been a long time coming and we hope everyone will enjoy the improvements to the club house.

Our Post Color Guard is looking for new members and if you are interested leave your name and how to reach you at the pull tab booth. The Post provides the uniforms and all you have to do is provide your time when you can. The color guard marches in 3 or 4 parades and provides assistance as an Honor Guard for funerals.

Congratulations to our new officers for next year:

Commander's Column
Ron Wolford

Let's start my first column by stating that the loss of Commander Gregg Werbowski was a shock to our Post. Yet, as a military family we are not unaccustomed to the loss of comrades or friends in our lives. Our thoughts and prayers are with the Werbowski family.

At the Executive Board meeting May 25, a motion was made, seconded and approved that I serve as Commander. At the last general meeting, I was elected to the Post of Commander. I am grateful for the honor and look forward to another great year at our Post. The Post is changing and your input would be very much appreciated.

Let me take this opportunity to thank the following bowling team members who reprresented our Post. They are: James Moriarty, John Moriarty, Mark Heidelberger, Todd Allen, Dennis Erickson, Dennis Stierten,Mark Heifelberger, Norm Fisher, Dennis Holstrom, Dennis Hubert, Nathan Hubert, Kenneth Buck, Richard Smith, Bob Hastings, and Mike Lian.

Let me end with this quote: "A sense of humor is part of the art of leadership, of getting alongwith people, of getting things done." Dwight D. Eisenhower

10th District Convention

What a convention this was for Edward B. Cutter American Legion Post 102. One of our very own was elected Commander for the District. Not only was he elected but was sworn in by his father. A tip of the hat to Darrel Redepenning for a job well done in getting elected. We also received a plaque for Children and Youth for doing the most for these young people. This was due to the effort of Gary Munkholm for getting in the proper forms. The post was well represented by ten of our members being at the meetings.

Darrel also served up a great meal after the meeting was over. All I can say was that if you were not there you missed a great time.

A Wreath For Commander Gregg

Memorial Day 2010, a beautiful blue sky day, had hundreds attending the service which has been held at the Veterans Memorial in Anoka since 1969.

It was announced that Commander Gregg Werbowski was not there because he died the previous week, the funeral was Friday.

This short announcement **could have** included more information for the majority of those in the crowd who did not know him – such as his years of military service, eligibility and years in The American Legion and SAL. His preparing to serve another year as Commander and that in its 91 year history Gregg was the only Commander of Edward B. Cutter Post 102 to pass away while in office. Gregg was 52 years of age, his parents and family members are here today and Gregg's father Joe will place the first wreath in his honor.

The program continued with Mayor Phil Rice giving a personal heartfelt message, patriotic music from the North Suburban Band, 5th graders from Franklin School and a rousing speech, with applause throughout, by Brigadier General Gerald Lang. At this time, I had to leave the service; placing of the wreaths was next.

In talking with Post and Auxiliary members who did attend placing of the wreaths, none could understand what happened and the wreaths left were not placed on the memorial at that time. Gregg's dad did not place a wreath, others who also asked to do so did not place wreaths, a young Anokan in full uniform was not asked if he wished to place a wreath, and as extra wreaths were remaining, anyone attending was not asked if they wanted to place a wreath – "any others" are the words printed in the program. The service continued as the extra wreaths were left laying on the ground.

Being connected with Memorial Day services for over 40 years, I remember when Post members cut and twined fresh boughs on the hand made wire forms with Auxiliary members adding the poppies. Over the years, while the wreaths had changed in appearance, the number of them had increased because more people wished to honor veterans at this yearly service.

Again, in talking with members with years of service to The American Legion and Auxiliary, when extra wreaths were available never has anyone been turned down who wished to honor a veteran and never was there a question of the service taking too much time.

This was a very sad Memorial Day service in every sense of the word.

President's Column
Darlene Thell

Hello Auxiliary Members,

A lot has happened since my last column. I would like to thank all who helped out and contributed, to help make Poppy Day successful. A big thank you to our Poppy Chairman, Sandy Phillips and Co-chair Barb Fechner for being in charge of this event.

I attended the Dist. 10 Convention, held at the Osseo American Legion on May 21, 22 and 23rd. The Friday evening Banquet, Saturdays' all day Convention, plus the late after-noon parade, and the Memorial Service and Installation of Officers on Sunday AM, all went very well.

On May 24th we received the shocking and sad news that our Commander Gregg Werbowski had passed away. Our hearts go out to Gregg and all of his loved ones. His beautiful funeral Mass was held at St. Stephens in Anoka on May 27th. Many Legion members were there to salute Gregg.

I, along with many Legion, SAL and Auxiliary members placed the flags at the three Anoka area cemetaries on May 28th, and we also took the flags down on Memorial Day, in the late afternoon. We were joined by Jr. Aux. girls Brook and Lea Newman. Thank you to all of you who helped.

I, along with Gary Munkholm, who took Commander Greggs place, were honored to lay wreaths, during the Memorial Day Service at the Veterans Memorial, in honor of our veterans. It was an overwhelming service attended by many people.

Brig. General Gerald E. Lang, Adjutant Gary Munkholm, President Darlene Thell and Mayor Phil Rice

I attended the annual Legion Riders Hog Roast on June 5th. The Legion Riders prepared and served a lot of wonderful food, the Silent Auction was fun.

Thank you to all Auxiliary members who joined me for my Presidents Dinner. It was held at our Legion and the food was prepared by our SAL. Thank you to them, and the Auxiliary members, who helped serve the food. We were honored to have out-going 10th Dist. President Flora Ellefson and our Jr. Aux. 10th Dist. President Sam Odegard join us.

This has been a very rewarding and wonderful year for me. It's been a honor to serve as your President and I want to thank all Auxiliary, plus Legion and SAL members for your support and help. As happy as my year was for me I'm equally as sad at the loss of Commander Gregg. He is greatly missed. Until September – Have a very blessed summer.

MN Stand Down

Cathy Newman and I volunteered at the Minnesota Stand Down held at Fort Snelling on May 25th. It happened to be a very hot day! We helped serve breakfast and lunch to approximately 400 veterans and volunteers.

Stand Downs are one part of the Department of Veterans Affairs' efforts to provide services to homeless veterans. Stand Downs are typically one to three day events providing services to homeless Veterans such as food, shelter, clothing, health screenings, VA and Social Security benefits counseling, and referrals to a variety of other necessary services, such as housing, employment and substance abuse treatment. Stand Downs are collaborative events, coordinated between local VAs, other government agencies, and community agencies who serve the homeless. The Stand Downs are held in five locations in Minnesota: Ft. Snelling, St. Cloud, Duluth, Bemidji, & Rochester.

The hand up -- not a handout -- philosophy of Stand Down is carried out through the work of hundreds of volunteers and organizations throughout the nation.

This was our first experience helping with the Stand Down and we found the experience to be very humbling as well as rewarding and hope to be able to do this again next year. We took with us two large garbage bags of socks that were collected by the employees of Anoka County last fall. These were distributed by the Wells Fargo employees who also had socks and many other clothing items for the Veterans.

In Memoriam

DAWN MARIE GILBERT

Dawn, a 2 year Auxiliary member, was born in Beaver Dam, Wisconsin on November 26, 1961 and passed away May 4, 2010.

Edward B. Cutter Unit 102 extends its sympathy to Dawns friends and family; a memorial to Project New Hope was sent by the Unit.

THEODORA CELIA (MELBERG) GREEN

Doria, a 19 year Auxiliary member, was born in Anoka on December 22, 1930 and passed away May 9, 2010 in Surprise, Arizona.

Edward B. Cutter Unit 102 extends its sympathy to her family and to sister Carol Sundeen. A memorial to Project New Hope was sent by the Unit.

Poppy Days

Poppy Days were held May 14th and 15th this year. I would like to thank all the volunteers that helped distribute poppies these two days. There were a total of 15 volunteers from the Auxiliary, Legion and SAL. These numbers were disappointing considering the large membership we have in our Legion family. We did not have enough volunteers to cover the cities of Ramsey, Andover and Anoka. Hopefully next year more volunteers will come forward for this worthwhile program. Volunteers donated anywhere from 2 to 8 hours each. Each one found it very rewarding and had fun chatting with people they met. Many thanked us for serving the Veterans! The funds received from Poppy Days helps many veteran programs at the local, state and National level and is one of the most important programs of the American Legion Auxiliary.

This year poppy letters were sent to our Auxiliary members requesting donations to the Poppy Program. Over 50 donations were received with $600 revenue received. This is fantastic! I would like to send a Big Thank You to all those that responded to the letter! Your generosity was over whelming. If it had not been for these donations and receipts for Poppy Days we would have been down from previous years, but now have exceeded last year's donations. Total receipts for our Poppy Program from the Poppy Cards, letters and distribution was $2,700. Thank you from the many veterans that these funds will benefit and myself for supporting the Poppy Program this year.
