MEMORIAL DAY SERVICES Anoka, Minnesota – May 30th, 2011

Betty Erickson furnished a copy of the bulletin in which the last service was performed indoors. We had Sergeant-At-Arms Curt Vevea escorting Jr. Aux. Vice President Brooke Lemke to the podium on May 30th, 1992.

This years program was of significant importance because of the fact that American Forces are again in harms way preserving our freedoms. The music for the program was provided by North Suburban Concert Band under the direction of Mr. John Rosner. The invocation and benediction were given by Father Bennet Tran from St. Stephens Church of Anoka. Memorial Day Address was given by Colonel Wayne Hayes United States Property and Fiscal Officer for the Minnesota Army National Guard. Speaking for the City of Anoka was Councilman Jeff Weaver. Two fifth graders from Wilson Elementary School repeated the Gettysbury address. They were Haley McCauley and Hailey Liesenfeld. We also had two fifth graders from Wilson Elementary School who presented In Flanders Field and Answer to In Flanders Field. They were Sophie Rodman and Sydney Rodman. Placing of Memorial Wreaths was done in recognition of service to the nation. All people placing wreaths were escorted by Honorary American Legion Sergeant-at-Arms Wayne Wallace; I served as Master-of-Ceremonies.

I would like to draw attention to the Minnesota Army National Guard troops making up the Color Guard and Honor Guard. These guardsmen have served in Iraq and Afghanistan once and for some, multiple times. They have served honorably and distinguished themselves in their service

to our country, our state, and our community. Please give our military personnel and their families our support and thanks for their service and sacrifice.

I would ask that all of us to keep our military personnel, serving throughout the world, in our prayers. On behalf of the Anoka American Legion Post 102, we thank the participants in the program, all individuals who moved chairs, tables, and wreaths from outdoors to indoors in such a timely manner and anyone else who helped to make this the greatest program of all times.

– Ron Wolford

ADJUTANT'S NOTES

by Gary Munkholm

Many thanks to the Legion Family members for helping to make the Memorial Day Observance another great event. The Post received many compliments on how well the transition of moving the ceremony from outside to inside because of the weather.

The general membership approved the basement sump pump repair for \$5,258 from a Minneapolis company.

Jerry Abeln announced that the annual Anoka Legion golf tournament era has come to an end. Due to a lack of participation the over 40 years of tournaments orchestrated by Jerry have come to a close. The Post thanks Jerry and his co-chairs for the many years of fun and enjoyment during and after the golfing events.

The scholarships have been passed out at Anoka High School to a great group of individuals. It sure was fun representing the post at that time. The seniors were all so appreciative of their awards from our post.

My duties at the post are coming to an end and I can honestly say that it was quite a trip being the post commander. There are so many people that I owe so much to for their help in making this a special year for me and my family. Let me say that you all know who you are and I will never forget your kindness and help. The Memorial Day Celebration is over and another first in many years in that it was held indoors. I would have never believed that everything could have been moved from outdoors to indoors in that amount of time. No army ever moved with that amount of precision and expertise that was exhibited that morning. What a Legion Post we have in Anoka. I was so proud to be the commander of your post. I wore the hat this year and next year someone else will step up to the plate.

I wish the new commander the good as well as the bad because how will you know if you do something right. Besides, someone will be there to tell you if you're wrong. Let me leave you with this last quote from Albert Einstein, "We cannot solve our problems with the same level of thinking that created them."

S.A.L. NEWS Commander Allen Amundson

Bill, Charlie, Lance, Roland and myself attended 10th District Convention in Fridley. Though it was stormy, the weather cleared long enough to allow for the parade. Congratulations to **Charlie Heemer** on becoming our **10th District S.A.L. Commander** for the coming year. **Other District Officers** from Anoka include **myself as Adjutant & Vice-Commander Area 2**, and **Roland as Sgt-at-Arms**.

A big thank-you to all of those who helped with our Memorial Day Service, as well as putting out flags in the cemeteries. The weather was again uncooperative and we had to do a fast turnaround to get things setup. I would also like to thank Jimbo, Chunk, Tim & Greg for preparing the luncheon for that day.

Though I'm sorry to see the Champlin Club close, I would like to welcome two new members who have transferred to our Squadron.

Donations include \$100 to the Child Welfare Foundation.

Please don't forget our upcoming S.A.L. Detachment Convention at Legionville on June 24-26. Also, our Joint Project with Auxiliary Unit 102 on Saturday, October 1st, the "Elvis Experience" show along with a buffet dinner. Look for the posters at the Club, and remember tickets go on sale August 1.

Well, summer is upon us and so were our elections. Our elected officers for 2011-2012 are as follows: Commander, Bill Knight; Vice-Commander, Lance Nelson; Finance Officer, Cliff Newman. I'm sure Bill will let you know our appointed officers in the next issue.

It has been quite a year as many of you know. Hope mingled with despair, and joy mixed with perseverance. I truly want to thank everyone for all of your help and support. Many thanks to all of my officers who have helped along the way. It has truly been a pleasure to work with Commander Ron and President Darlene this past year, and I wish you well in any future endeavors. It would be impossible to name all of you in S.A.L., the Post, the Auxiliary and Legion Riders who have helped to "make a difference" during the last year; but, I would like to say thank you. May God bless you all.

Hope to see you at our National Convention in Minneapolis.

Poppy Program

Thank You! Thank You! To each Post 102 American Legion Family and the Anoka community that helped to make this year's Poppy Program one of the most successful on record. Members helped in many ways – from putting out the Poppy Donation letters, distributing Poppy cards at the Post and downtown Anoka, distributing poppies on Poppy Day and helping out at the Post on Poppy Day. I especially appreciate the members who took time off from their work or delayed their weekend plans to help on Poppy Day.

This year we had 3 husband and wife teams distributing poppies. There was a total of 23 members distributing poppies on Poppy Day. Poppy Days were May 20th & 21st, they ended up being rainy days off and on, so was pleased with the revenue received and thankful to the members who stood in the rain to distribute poppies.

Over \$3,000 was raised this year for the Poppy Program. These funds will help support many Veteran programs at the National, Department, District and local level.

This is the second year that letters were sent out to our Auxiliary members requesting donations and proved once again to be very successful. Almost \$1,000 was raised. Thank you to all who responded to their letters.

There were three Legionnaires who helped for the first time and tell me they are looking forward to next year! Thank you Fadi, Gary and Ron! Your support to the Auxiliary is very much appreciated.

Sandy Phillips – Poppy Chairman

President's Column

Darlene Thell

Hello Auxiliary members,

May was a busy and good month at our Post. Thank you to everyone who attended the 10th District Convention May 20-22. It was an honor to have first time Flag carriers, Ann Larson and Deb Mayasich help out with that duty. We were honored to have had **Donna Redepenning installed as 10th Dist. 2nd. Vice President.** Best of luck Donna.

Our Unit did very well with winning plaques, awards and a trophy. Also Cathy Newman took 2nd place, and Donna Redepenning took 3rd place in the Poppy contest. Congratulations.

Awards received were: VA& R – Cathy Newman, Past Pres. Parley – Barb Ridge and Kathy Zwerdling, Junior Activities – Sue Nunnelee, History – Karen Orr, Public Relations and Scrapbook – Darlene Thell.

Memorial Day weekend came up very quickly. A lot of beautiful heartwarming services were held at many locations. I would like to thank Music Chairman Jean Johnson for creating a beautiful card for our veterans for Memorial Day. She color printed 140 copies, placed them in envelopes and I delivered them to veterans living in six different nursing homes, senior apartments and the AMRTC. A Poppy was attached to each card. Smiles were brought to many faces. Cathy Newman and Sandy Phillips also brought a card with five dollars from the 10th District Auxiliary; to each veteran living at the AMRTC. Cathy also made up a patriotic bag of treats for each veteran. Thank you Jean, Cathy and Sandy.

My second term as serving the Presidency for our Unit is coming to an end. It has been a huge honor to be the president of this fine organization that stands for so very much in the community, state and nation. We feel blessed to be part of this wonderful Post 102 and thank you for all the help you give to us.

A huge thank you to my officers and committee chairmen for all of your hard work and dedication these past two years. You have helped make this a fun and great experience. Thank you very much.

I would like to end by thanking all of you for your prayers and cards, and I'm asking for more prayers as I journey through my summer and fall undergoing chemotherapy and radiation treatments. Thank you.

God Bless America and let's always remember our veterans and military.

In Memoriam

MAE MARIE (Fritz) BETHEL

Mae, a 29 year PUFL Auxiliary member, was born December 15, 1925 in Hutchinson, MN and passed away June 13, 2011 in Coon Rapids. Mae was also a longtime member of Anoka VFW Post 1043.

The family provided the lunch at the Post with help from Unit members. Edward B. Cutter Unit 102 extends its sympathy to husband Charlie, family and friends. A memorial to Project New Hope will be sent by the Unit in Mae's name.

Past Presidents / Gold Star Mothers Lunch

On Saturday, June 4th, 13 of our 35 Past Presidents, and one 50+ year member, attended our Spring luncheon at Tanners Grill in Andover.

We gathered there at 11:30 a.m. to honor our gold Star Mothers, Ruth LaNoue and Nancy Dehn.

We welcomed the 16 who attended and had some P.P. business to talk about, and some paid their 2011-2012 dues.

I think we all had a good lunch, (noon specials) and some good conversations of past years, which is always fun to talk and hear about.

We honored our Gold Star Mothers with a gift of Lavender lotion, lunch, and their yearly Auxiliary dues. Also, we had a drawing for three door prizes (African Violets), and Chocolate candy and Mint Pattys were passed for dessert.

The 105

Anoka High School seniors (now graduated) Peter Day, Jake Oliverson, Thomas Ranaley and Nick Ward, members of the schools Honor Politics and Law Program needed a class project. Their advisor directed them to the City of Anoka Public Works Director who recommended refurbishing the 105 Howitzer at the Veterans Memorial at Ward Park; they contacted Post 102 and ended up with their project. Milt Webster, Wayne Wallace and myself first met with the young men at the memorial and explained what needed to be done.

When asked why such a messy project, they had agreed they wanted a civic project and were partial to the military. When talking with them individually, a common thread came through: Peter has one brother at West Point, one brother graduated from West Point and currently an Army Ranger. Jake's grandfather served in the US Navy during the Korean Conflict. Tom's grandfather served in WWII including the Battle of the Bulge. His father served in the US Navy during the first Desert Storm. Nick's grandfather and an uncle served in the US Military.

The four young men scraped, brushed, cleaned and painted the 105 off and on for a couple of weeks; the Howitzer was finished the day before Memorial Day.

– Bud Redepenning

(Editors note: Due to rain, the program was held indoors at the Post so no one saw the proud work of Peter, Jake, Tom and Nick on that day – but it will be there for many years to come.)
