Howdy Legionnaires,

Its finally spring! Not only is the weather heating up, but so is our Legion year. May kicks off with Legion Convention time. May 20th and 21st is the 10th District Convention, hosted by the Fridley Post. If you're interested in being a delegate to the convention, please contact Wayne Wallace or myself. We still have a few spots open. The District Convention is a great opportunity to learn more about The American Legion and all of our great programs. It's also an opportunity to meet or rekindle friendships with Legionnaires from neighboring Posts.

May is also Memorial Day Observation at John Ward Park, adjacent to Forest Hills Cemetery. This event is sponsored by Post 102 and has the reputation of being one of the best observations in the state. Mark your calendar for Monday, May 29th at 10:00 am. If you have never attended one before, you don't know what you're missing. It helps you put into perspective what Memorial Day is really about. Help us honor all of our local war hero's.

Until next time, thanks for all your support and I hope to see you at the post.

Commander Darrel

BEANIES for BAGHDAD

It's finally spring and time for renewal of the mind, body and spirit. A refreshing start for the spring is to bring out our giving spirit, and we hope to accomplish just that from our members.

The Post 102 Drill Squad is going to be making donations to Beanies for Baghdad. This is a non-profit group that supplies soldiers in Iraq with toys to give to Iraqi children across the nation. We were hoping to get the entire Legion family in on this drive, and make a large contribution.

Things that they are looking for are: Bean bag animals (beanie-babies), stuffed animals of any size, school supplies, matchbox/hot wheel cars, or individually wrapped snacks. We will be setting up collection receptacles around the Legion in the coming days. If you would like to make a donation we would love to have you do so, please feel free to send along a note with that gift, let our troops know how much we support them and the good that they are accomplishing.

A release issued by the US Army, should give some more insight about the program and its goals.

Release No. 20060201-09 February 1, 2006

**Strike Brigade brings security and smiles
By Spc. Karl Johnson – 363rd MPAD**

BAGHDAD – In a country where having a toy is a rarity, Soldiers passing out beanie babies to Iraqi children can become very popular. "The Children's faces just light up when they see you," said Sgt. 1st Class Alan Certain, Company C, 490th Civil Affairs Battalion. "It's amazing to see what an effect a simple toy can have on a kid."

The civil affairs Soldiers pass out the small toys during their missions in central Iraq. To date more than 150,000 of the miniature stuffed animals have been distributed throughout the war torn nation with the help of Beanies for Baghdad, a non-profit organization dedicated to helping the rebuilding effort. What started as an attempt to get one child to smile has turned into a project that is helping Soldiers build positive bonds with the Iraqi people.

"This is forming the beginning of friendships between the children and the Soldiers," said Donna Ward, Beanies for Baghdad project manager. "The hope for a better tomorrow is found in the children of Iraq." "We are hoping to see an entire new generation of Iraqis who trust that we are their friends and that we're here to help them." said Capt. Darrell Rethford, C-490th CA Batt.

According to the project manager, the success of Beanies for Baghdad has just begun. "We have so much more we hope to accomplish," she said. "These little ones didn't ask to be born in the conditions they are growing up in and this is a way we can make a difference."

"I personally feel this is a small gesture we as Americans and other countries can do to help our Soldiers sew seeds of friendship and to give these children something to smile about in a war torn land."

If you should have any questions, please feel free to contact any one of us in the Drill Squad. Let's start our Spring with a great feeling of pride, accomplishment and being a small part of something so much, much bigger.

Thank you for all your support.

Jill Larkin
Secretary, Post 102 Drill Squad

Poppy Day as a memorial to American war dead and a tribute to disabled servicemen originated after the first World War. Soldiers returning from Europe in 1918 were familiar with the wild poppies which bloomed in the battlefields of France and Flanders. The American Legion Auxiliary says the first national Poppy Day in the United States was held in 1921.

2006 State Legion Bowling Tournament

Eight teams with 40 bowlers represented Post 102 on March 25 & 26 at South Town Lanes in Bloomington. That last week before the tourney was a little hectic trying to round up enough bowlers. This was due to numerous reasons; special thanks to Len Lambert who had some names I could call for replacements.

When we bowled, it was too early in the tournament to determine low pay in the four events. Mike Haines and Dennis Holmstrom were the top bowlers. Congratulations to all. Read the June issue of the Minnesota Legionnaire for final results.

Anoka Post results:

Top Team/3122 total: Dennis Holmstrom, Dave Sandwick, Jim Vierling, Mark Heidelberg, Terry Koering

Top 4 Singles: Dennis Holmstrom/703, Jim Plowman/680, Mike Haines/680, LeRoy Budde/658

Top 4 Doubles: Pat Vevea & Gary Whichello/1313, Dale Voltin & Bryant Beehler/1306, Jim Plowman & Mike Haines/1302, Joe Zimmerman & LeRoy Budde/1292

Top 4 All Events: Mike Haines/2015, Alan Coffin/1977, Jim Plowman/1969, Greg Whichello/1968

Tournament dates for Anoka Post 102 for 2007 are: Team – March 31, 2007 at 1:00 pm; Singles & Doubles – April 1, 2007 at 9:00 am. Bowling at Dutler Lanes in Mankato.

Note: 2007 teams will be 4 man teams for this tournament, this will balance out the team members for singles and doubles. I have reserved 8 teams for 2007, but it could be more.

P.S. Still waiting for someone to chair this event!

Thank you,
Joe Zimmerman – 421-4361
